Release	Comments
Release 2	This version released with AHC Agriculture, Horticulture, Conservation and Land Management Training Package Release 11.0.
Release 1	This version released with AHC Agriculture, Horticulture, Conservation and Land Management Training Package Release 9.0.

AHC10222	Certificate I in Agriculture
<p>Qualification Description</p> <p>This qualification describes the skills and knowledge required for individuals preparing for entry level work in the agriculture, and conservation and ecosystem management industries.</p> <p>They undertake a range of simple tasks under close supervision. The range of technical skills and knowledge is limited.</p> <p>The qualification is suited to VET programs delivered to secondary school students or learners with no previous connection to the agriculture or conservation and land management industries or relevant employment history.</p> <p>No licensing, legislative or certification requirements apply to this qualification at the time of publication.</p>	
<p>Entry Requirements</p> <p>There are no entry requirements for this qualification.</p>	

Key:

[Unit currently under review in the Livestock Operations project](#)

[Unit currently under review in the Shearing and Wool project](#)

[Unit currently under review and proposed for deletion](#)

Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 6 units of competency
 - 2 core units plus
 - 4 elective units.

Elective units must ensure the integrity of the qualification's Australian Qualification Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. The electives are to be chosen as follows:

- 2 units must be from the electives listed below
- the remaining 2 units must be selected from the electives listed below, or any currently endorsed Training Package or accredited course.

Core Units

AHCWHS102	Work safely
AHCWRK102	Maintain the workplace

Elective Units

AHCBAC102	Support agricultural crop work
AHCCHM101	Follow basic chemical safety rules
AHCIRG102	Support irrigation work
AHCLSK1X01	Support extensive livestock work
AHCLSK1X02	Support intensive livestock work
AHCMOM101	Assist with routine maintenance of machinery and equipment
